CAREER OBJECTIVE: ♦ [GitHub](#)

Looking for a software developer role to contribute to product innovation, enhance skills, and work with modern tech stacks.

EXPERIENCE

Front-End Developer Internship | **HTML5, CSS3, Tailwind CSS, JavaScript, React.js** | Feb 2025 – Present

- Converted Figma designs into responsive, user-friendly UIs
- Optimized site speed and performance
- Ensured cross-browser and mobile compatibility
- Collaborated to maintain UI/UX consistency

PROJECTS

Personal Portfolio Website | *HTML5, CSS3, JavaScript*

- Designed and developed a responsive portfolio website to showcase skills and projects.
- Used HTML, CSS, and JavaScript for a user-friendly interface and smooth navigation.
- Integrated features like project galleries, contact forms, and interactive layout for better engagement.
- Hosted the site on GitHub Pages for optimal performance and accessibility.
- Demonstrated front-end development proficiency with creative design and coding.

Movie Ticket Booking Application | **HTML, CSS, JavaScript, Bootstrap**

- Developed a web-based movie ticket booking application using HTML, CSS, JavaScript, and Bootstrap.
- Created a responsive and user-friendly interface for browsing movies, viewing show timings, and booking tickets online.
- Implemented interactive features using JavaScript to enhance the user experience.
- Ensured cross-browser compatibility and responsiveness across desktops, tablets, and mobile devices.
- Utilized Bootstrap to build a modern, visually appealing, and responsive user interface.

SKILLS

- Languages: HTML5, CSS3, JavaScript, Core Java
- Frameworks/Libraries: React.js, Tailwind CSS, Bootstrap, Material UI
- Databases: MySQL, MongoDB
- Tools & Platforms: Git, GitHub, Vercel, Netlify, Render, Figma, Postman, Linux

INTERNSHIP

Internship at Supple Soft Pvt. Ltd.

I completed a 3-month Front-End Development internship at Supple Soft Pvt. Ltd., where I worked on real world web projects and gained hands-on experience in building responsive websites using HTML, CSS, and JavaScript. During the internship, I actively contributed to front-end development using React.js and implemented user interfaces with modern frameworks such as Bootstrap, Material UI, and Tailwind CSS. The internship helped me improve my understanding of UI/UX design, component-based development, and responsive layouts.

EDUCATION

Master of Computer Applications (MCA)

Noida Institute of Engineering and Technology, Greater Noida | 2023 – 2025

Bachelor of Computer Applications (BCA)

Maharshi Dayanand University, Rohtak | 2019 – 2022

Senior Secondary (Class XII)

Bihar School Examination Board (BSEB) | 2019
